GROUP

Anne-Marie Daniel, Founding Partner

Our task is not to seek for love, but merely to seek and find all the barriers within yourself that you have built against it. — Rumi

Roy Group's lead for conflict resolution, Anne-Marie Daniel, is passionate about building resilient organizations and communities. She works with others to understand the issues at play so they can craft a solution that delivers a higher level of satisfaction. Anne-Marie works across sectors and generations, helping to resolve business, public policy, school community, local land use, family and human rights disputes.

Anne-Marie's experience as a theatre designer, educator, mediator, entrepreneur and biomimic has shown her the value of applying a creative approach in helping people solve problems. Her practice includes Nature-inspired problem solving through NATUR&D, an innovation arm of Roy Group that brings together interdisciplinary teams to design healthier and higher-performing solutions to our most vexing challenges. She is keen to help individuals and communities create the change the world needs.
